

# Installation Guide

---

## 2.8-inch Cloud T&A Terminal

Version: 1.0

## 1. Installation Environment

Please refer to the following recommendations for installation.

INSTALL INDOORS  
ONLY

AVOID INSTALLATION  
NEAR  
GLASS WINDOWS

AVOID DIRECT  
SUNLIGHT  
AND EXPOSURE

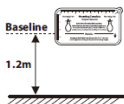

AVOID USE OF  
ANY  
HEAT SOURCE  
NEAR THE  
DEVICE

## 2. Device Installation

### Install on the wall

- ① Stick the mounting template sticker to the wall and drill holes according to the mounting template sticker.
- ② Insert expansion tubes into the mounting holes and place self-tapping screws into them.
- ③ Then hook the device onto the wall as shown below.

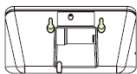

①

②

③

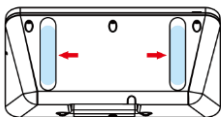

## Install on the desktop

- ① Please peel off the protective film from the anti-slip rubber pad first.
- ② Then attach the device to the desktop.

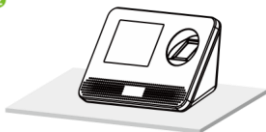

**Note:** If the device feels less stable, the rubber pads may need cleaning. Wipe them and the desk surface with a slightly damp, lint-free cloth. Let both dry completely, then press the device firmly back into place.

\*Unplug before repositioning. Do not use chemical or oil-based cleaners.
